OFFICE OF

OFFICE OF THE ASST. DIRECTOR
OF FOOD SUPPLIES, (Depot Section)
BANGALORE.

No. AD 1582/44-45
Encls.

Date 28th September 1944

To

The Director of Food Supplies in Mysore
BANGALORE.

Sir,

I have the honour to state that in February 1943, when the Depot Section was constituted for the Supplies Department in G.O.No.SD 8337-41/A1-42 dated 10-2-1943, the post of the Asst. Director of Civil Supplies (Depot Section) was sanctioned. As this post involved considerable moving about within the City in connection with the Inspection of godowns scattered all over the City and also the supervision of work at the Goods shed, a conveyance allowance of Rs.75/- p.m. was sanctioned to that post in the above-said Government Order. Accordingly my predecessors drew this conveyance allowance of Rs.75/- p.m.

I was appointed to this post in November 1943 and took charge on the 18th November 1943. I also drew the conveyance allowance of Rs.75/- for the months of November and December 43. But subsequently the conveyance allowances of Assistant Commissioners in the Food Department were revised in general to Rs.50 in G.O.No.SD 4577/88 A 123-43-9 dated 11/15th January 1944 and the officers of the Department were given a Duty allowance of Rs.50 whether they were holding ministerial or executive jobs. In the letter No.SD 7041/A 123-43-45 dated 17-4-1944 of the Secretary to Government, Develpp-ment Department, to the Director of Food Supplies, I have been authorised to draw a Duty allowance of Rs.50 and a conveyance allowance of Rs.50 only. The former allowance is given to all officers of the Food Department by virtue of their working in that Department.

As regards the conveyance allowance, I find Rs.50/- quite insufficient and inadequate to maintain a car in Bangalore City and I will be out of pocket to the extent of 30 to 40 rupees every month. The conveyance allowance of Rs.75/- that was considered as necessary to maintain a car in February 1943 has been reduced to

to Rs.50/-, which has acted as a considerable hardship to me. It is almost impossible to maintain a car within a cost of Rs.50 p.m., particularly when I have to go round all over the City to inspect godowns nearly 40 in number which are situated in all parts of the City and incur heavy expenditure when the cost of maintaining a car in these days is very high.

Further, I see from the Civil List of the Current year's Budget that Mr.Pachia, who had similar duties to perform in the City as Rationing Officer has been allowed a conveyance allowance of Rs.75/- p.m. in addition to a Duty Allowance of Rs.50 p.m.

I pray that my case be also treated similarly and that I may be allowed to draw a conveyance allowance of Rs.75 p.m. in addition to the Duty Allowance of Rs.50 p.m. A conveyance allowance of Rs.75/- p.m. had been graciously allowed by Government at the beginning in consideration of all the circumstances such as the nature of duties of the appointment, extent of movement involved in the City and the cost of maintenance of a Car which has in no way come down since then, and I request you to kindly recommend to Government that the conveyance allowance be restored to the original rate of Rs.75 from the date of my taking charge as Asst. Director in view of the several circumstances represented above.

I have the honour to be,
Sir,
Your most obedient servant,

Dear Mr. Noronha,

In forwarding herewith the application from Mr. T.Rangamalliah for enhancing the conveyance allowance to him to Rs.75/- , I wish to state that Mr. Rangamalliah has to move about the whole city from Basavangudi to Malleswaram to check up godowns, depots, etc., and that the conveyance allowance of Rs.50/- is inadequate for maintaining a motor car. Mr. Rangamalliah has done very good work and after he took charge, has done his best to compile the old accounts which were neglected and to keep the subsequent accounts in proper condition. He has also been responsible for a number of improvements in the godowns and in keeping stocks in proper condition.

2. Recently, when the Hon'ble Mr. Somerset Butler and the Additional Regional Commissioner, Madras visited our godowns, they were very much impressed with their cleanliness, accounts, etc.

3. Both as a recognition of the good work done by him and also to cover expenses incurred by him in touring about the City, I very strongly recommend that he may be given Rs.75/- just as has been recommended in the case of Mr. Machia.

Yours sincerely,
B. Raghavendra Rao
